Save the Date:

KS1 Christmas Show Friday 11th December.

More details to follow.

Home learning

In addition to the spelling words to learn, a homework activity will be uploaded onto Google Classroom on Fridays. Please can this be returned on Thursdays.

Maths

We are going to start the half term by by continuing with our focus on on addition and subtraction for numbers within 10. After this, we will move onto our Geometry topic and learning to recognise, name and sort 2D and 3D shapes.

English

We will still be focusing on writing to entertain this half term and will be using the stories 'The Everywhere Bear" and 'Traction Man' to help support our writing.

History

We are going to be learning about how toys have changed over time. We will be looking at the toys that are around today and comparing these to the toys that people played with in the past.

Science

Our topic for Science will be 'The Human Body'. We will be learning how we have five senses and how we use these to make sense of the world around us.

PE

We will be working on multi skills and movement in PE this half term.

PSHE

We will be focusing on making friends and playing and learning together.
